

MFJ Radio-Controlled 24/12 Hour Dual clock With ID Timer!

MFJ-148RC is a specially designed clock for amateur radio. It has two independent atomic 24/12 hour clocks with exclusive UTC time zone and a dedicated Station ten minute ID timer.

MFJ-148RC
\$59⁹⁵
Ship Code A

New!

It uses a single time base to keep both clocks perfectly synchronized. It is radio controlled so it keeps perfect time. Each clock can be independently set for 12 or 24 hour display, time zone and DST on/off. Set one clock on 12 hour format for local time and the other clock on 24 hour format for UTC. Turn DST off on the UTC clock and you will never have to worry about time changes messing up the UTC time again. *Never forget to ID again.*

Built-in 10 minute station ID timer with LED and buzzer alerts. Timer resets by a simple press of the timer switch. Huge 5Wx1.5H LCD display with LED backlights. Flip stand for desk display and mounting hole for wall mount. Uses two AA batteries (not included). Sexy black hard plastic cabinet is 6.5Wx3.5Hx3/4D inches.

MFJ Radio-Controlled Wrist Watches Global World Time Atomic Wristwatch

MFJ-188BRC
\$39⁹⁵
Ship Code A

This is the full-featured atomic wristwatch you have been waiting for! Dual time ring for 24/12 hour formats plus it features US and world time zone settings. Highly sensitive radio receiver receives signals from Germany, continental USA, UK and Japan (60 KHz only) according to chosen time zone. Set time zone to UTC -- stay on top of universal time no matter where you are. Individually set wristwatch to any major city in the world. If traveling in Russia, set the time zone to the Moscow zone, it searches for the signal and keeps you on time. When in Japan, set to Tokyo. Super bright LED night light at the 12 O'clock position. Handsome black leather band. It also has a reception success or failure indication. Now you will know when your wristwatch is keeping you on time or not and not show up to a meeting an hour late.

MFJ-188BRC
\$19⁹⁵
Ship Code A

MFJ-189RC has a genuine black, leather band that is rich looking and perfect for office style and at the hamfest. It also features stylish non-numerical 12-hour and second notches on the silver-metallic face. The analog watch face looks like a work of modern art! Receives the WWVB atomic signal so it always stays accurate. Super easy to set and read.
